

B.I. CLIMATE & ENERGY FORUM

2018-19 Discussion Series

CLIMATE CHANGE AND FAITH COMMUNITIES

Learn about the issues * Share ideas * Solve the problem of Climate Change

Wednesday, December 5, 7 - 8:30pm

Eagle Harbor Congregational Church, Bainbridge Island

Presenters:

- **Rev. Thomas Perchlik**, Cedars Unitarian/Universalist Church
- **Rev. Wren Blessing**, Grace Episcopal Church
- **Shonie Senji Kanada**, Nippon Mahoji Buddhist Temple
- **Rev. Mary Karen Brown** (retired), Snoqualmie United Methodist Church
- **Kathleen Alcala**, Kol Shalom, Social Action Committee

Many religious faiths have been very active in calling for the protection of our natural environment and on combating climate change. Local faith leaders will share how they are working to preserve our environment and address climate change.
